	S	U	Please describe the degree of satisfaction for each area
Preparation	✓		Kiel was always very prepared to teach his classes.
Implementation	✓		Followed through with his lessons from beginning to end.
Management	✓		Managed classes like a seasoned pro. He always had total control of the class.
Professional Qualities	✓		Kiel always treated the students with respect, and would follow through with any issues that would come up.

Comments: Please include observations which indicate appropriate adjustment to the school culture and qualities which reflect overall professional readiness.

Kiel was able to pick-up on everything that would come up in the department as if he had always been there. I fully trusted him with my classes and for him, the more he could do, the better. Completely ready for the teaching profession.

Overall Rating: Satisfactory Unsatisfactory
